INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Communities in Schools of Brazoria County, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Communities in Schools of Brazoria County, Inc., which comprise the statement of financial position as of August 31, 2016, and the related statements of activities, functional expenses and cash flows for the twelve months then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation

and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Communities in Schools of Brazoria County, Inc. as of August 31, 2016, and the changes in its net assets and its cash flows for the twelve months then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by *Title 2 U.S. Code of Federal Regulations Part 200*, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 27, 2017 on our consideration of Communities in Schools of Brazoria County, Inc's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Communities in Schools of Brazoria County, Inc's internal control over financial reporting and compliance.

COMMUNITIES IN SCHOOLS OF BRAZORIA COUNTY, INC.

Notes to Financial Statements

NOTE 1 – Nature of Activities and Significant Accounting Policies

Nature of Activities

Communities in Schools of Brazoria County, Inc. (“the Organization”) is organized to connect needed community resources with schools to help young people learn, stay in school, and successfully prepare for life. Services are provided through after school programs, training programs, and community based partnerships. The Organization began activities in Brazoria County, Texas, in February 1993.

The Organization is responsible to the Texas Education Agency (“TEA”). Funds for compensatory education and 21st Century learning centers (“21st Century”) are funneled through the TEA for program activities. Temporary Assistance to Needy Families (“TANF”) funds are available to support that portion of the student population that qualifies. The Organization also receives assistance from United Way, local school districts, and receives donations from other area organizations, companies and individuals.

Approximately 72% of the organization’s support for the twelve months ended August 31, 2016 came from the TEA. Future federal and state funding for education will be dependent on appropriations by governing bodies and the number of participants in the program. Continued funding for the Organization is dependent upon gaining community support through collaborative partnerships and private funding.

The Organization and Communities in Schools – Southeast Harris County, Inc. have entered into a joint venture agreement for the purpose of the development and implementation of a centralized management team to oversee the operations and services provided by the Organization and Communities in Schools – Southeast Harris County, Inc. Each Organization has its own governing board and expects to develop and receive the benefits of reduced operating cost and greater efficiency through the use of a centralized management team, as well as increasing the number of participants in its programs.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

COMMUNITIES IN SCHOOLS OF BRAZORIA COUNTY, INC.

Notes to Financial Statements

NOTE 1 – Nature of Activities and Significant Accounting Policies (Continued)

Property and Equipment

Certain grant funds received from funding sources are designated for the purchase of fixed assets. Expenditures of such funds are charged to expense in accordance with practices prescribed by the funding agency. Purchased property and equipment defined as non-expendable tangible personal property costing \$5,000 or more and having a useful life of more than one year is capitalized at cost. Repairs and maintenance of property and equipment are expensed as incurred. Property and equipment are depreciated using the straight-line method.

Investments

The investment is composed of a common stock in a publicly held company and is carried at fair value as determined by the quoted market price (Level 1 input).

Financial Statement Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Service Contracts

The Organization records service contract revenue at the time qualified participant expense is incurred. Amounts received under service contracts that will be expended in the next fiscal year in accordance with the contract period are recorded as deferred revenue.

Income Taxes

The Organization is a not-for-profit organization with non-private foundation status that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with initial maturity of three months or less to be cash equivalents. The Organization did not pay interest or income taxes during the twelve months ended August 31, 2016.

Notes to Financial Statements

NOTE 1 – Nature of Activities and Significant Accounting Policies (Continued)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2 – Promise to Give

The promise to give as of August 31, 2016 amounting to \$153,800 is from United Way and is due within one year.

NOTE 3 – Investment

The investment valued based upon the quoted market price as of August 31, 2016 is summarized as follows:

Unrestricted:

	Cost	Fair Value	Carrying Value
Common Stock	\$ 5,308	\$ 8,882	\$ 8,882

Unrealized depreciation for the twelve months ended August 31, 2016 amounting to \$231 is included in other support in the accompanying statement of activities.

NOTE 4 – Fixed Assets

Fixed assets consisted of the following at August 31, 2016:

Equipment	\$	17,028
Furniture and Fixtures		3,328
		20,356
Less, Accumulated Depreciation		(20,356)
	\$	-

COMMUNITIES IN SCHOOLS OF BRAZORIA COUNTY, INC.

Notes to Financial Statements

NOTE 4 – Fixed Assets (Continued)

Principally, all of the equipment, furniture and fixtures are used in TEA programs. The proceeds from the sale of assets acquired with TEA funds are to be applied to TEA programs. In the event the TEA programs are terminated, these assets are to be used in projects supported by federal or state funding.

There was no depreciation expense for the twelve months ended August 31, 2016.

NOTE 5 – Financial Assistance

The Organization has contracts with the TEA for 21st Century, compensatory education and TANF funds. The receipt of funds under these contracts is conditional upon incurring qualified participant expense. Receipts and expenditures under the contracts for the twelve months ended August 31, 2016 were as follows:

	<u>TANF</u>	<u>Compensatory Education</u>	<u>21st Century</u>
Accounts Receivable, September 1, 2015	\$ -	\$ 5,861	\$ 73,122

*Report on Internal Control Over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance With Government Auditing Standards*

Independent Auditor's Report

To the Board of Directors
Communities in Schools of Brazoria County, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Communities in Schools of Brazoria County, Inc, which comprise the statement of financial position as of August 31, 2016, and the related statements of activities, functional expenses and cash flows for the twelve months then ended, and the related notes to the financial statements, and have issued our report thereon dated January 27, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Communities in Schools of Brazoria County, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Communities in Schools of Brazoria County, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Communities in Schools of Brazoria County, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A

significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Communities in Schools of Brazoria County, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

*Report on Compliance for Each Major Federal Program and
Report on Internal Control Over Compliance
Required by the Uniform Guidance*

Independent Auditor's Report

To the Board of Directors
Communities in Schools of Brazoria County, Inc.

Report on Compliance for Each Major Federal Program

We have audited Communities in Schools of Brazoria County, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Communities in Schools of Brazoria County, Inc.'s major federal programs for the twelve months ended August 31, 2016. Communities in Schools of Brazoria County Inc.'s major program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Communities in Schools of Brazoria County, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the

audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Communities in Schools of Brazoria County, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Communities in Schools of Brazoria County, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Communities in Schools of Brazoria County, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the twelve months ended August 31, 2016.

Report on Internal Control Over Compliance

Management of Communities in Schools of Brazoria County, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Communities in Schools of Brazoria County, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Communities in Schools of Brazoria County, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct,

noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

COMMUNITIES IN SCHOOLS OF BRAZORIA COUNTY, INC.

Notes to Schedule of Expenditures of Federal Awards
For the Twelve Months Ended August 31, 2016

NOTE 1 – Basis of Presentation

The accompanying schedule of expenditures of federal awards (“the Schedule”) includes the federal grant activity of Communities in Schools of Brazoria County, Inc. (“the Organization”) under programs of the federal government for the year ended August 31, 2016. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a portion of the operations of the Organization it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

NOTE 2- Summary of Significant Accounting Policies

Expenditures reported on the Schedule are presented on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 – Pass-through Awards

The Organization receives certain federal financial assistance from pass-through awards of certain political subdivisions of the State of Texas. Pass through entity identifying numbers are presented where available.

NOTE 4- Indirect Cost Rate

The Organization has not elected to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance since the federal awards do not allow for allocation of indirect costs.
