Premier Academy Mission Statement:

Premier Academy (PA) promotes a safe, organized, caring and supportive environment that strives to empower students to be a community of learners in which each member strives for academic excellence and cares about one another. Our focus is on the whole child as we encourage each of them to meet academic challenges with openness, enthusiasm, and a willingness to solve problems while encouraging integrity, and leadership.

Premier Academy Program Overview:

Premier Academy (PA), administered by Communities In Schools of Brazoria County, offers an opportunity for students in Kindergarten through fourth grade to participate in an educational and continual learning atmosphere. The program will focus on providing expanded academic enrichment opportunities such as:

- Our schedule will include 30 to 45 minutes of designated homework time. During this time staff members will monitor and work with the students upon request but will not provide one-on-one tutoring. Students are allowed to spend additional time doing homework during scheduled activities, at parent/guardian request.

Homework guidance from the Premier Academy staff will include:

- An explanation of the directions
 - Reading instructions and giving examples (this does not include grading or corrections to work as to defer to the school's teaching methods)
 - Please note, Premier staff are not responsible for checking student's belongings for homework. PA will offer Homework Help Monday through Thursday during the first block of programming. It remains the parent's responsibility to ensure assignments are completed and reviewed for accuracy daily.
- Offering a wide range of supplementary services, programs, and activities encompassing youth development, fine arts, technology, recreation, physical education, health and wellness, STEM, coding, and culinary arts. These initiatives are designed to enhance and supplement the standard academic curriculum. I understand that my student(s) will have supervised access to technology and the internet.
 - Premier Academy maintains a student-to-teacher ratio 1:20 in kindergarten and first-grade classrooms. In our second to fifth-grade classrooms, a ratio of 1:24 is maintained.
 - Premier Academy is unable to offer a 1:1 student-to-staff ratio. While we strive to maintain a safe and supportive environment for all students, it is important to note that our staff-to-student ratios are designed to accommodate a group setting and may not be tailored to individualized attention.

ADMINISTRATION OF THE PROGRAM

The PA program is a joint effort between Communities In Schools (CIS) and Pearland ISD. Communities In Schools has the overall responsibility and management of the program at each individual campus. The program is not regulated by childcare licensing. This is a fee-based program offered outside of the PISD curriculum and instructional school day. PA is not PISD funded. No PISD or PISD taxpayer monies are used to support PA. Fees must be prepaid to allow your student(s) to participate in the program. Students must be enrolled at Carlestone Elementary or Lawhon Elementary to be considered for enrollment for the 2026-2027 school year.

I have read the above information and agree. (Parent/Guardian Initial)

CUSTODY ORDERS AND TUITION RESPONSIBILITY POLICY

For the safety and security of your student(s) attending Premier Academy, we request that you provide us with any court orders pertaining to custody arrangements for your student when completing registration. Premier Academy will follow the document for the school year or until a new official order is submitted.

Our program will follow all court-ordered custody arrangements as they pertain to the authorized pick-up of students, including schedules, times, and dates. However, financial responsibility for tuition and fees is separate from custodial arrangements.

- Only one Brightwheel account may be created per family. The account holder who sets up the account is responsible for all financial obligations, including tuition and any other associated charges.
- Tuition is auto-drafted from the payment method on file. Our system will not divide or alternate payment drafts based on custody schedules or agreements. It is the responsibility of the parent or guardian who creates the account to ensure that payment arrangements are made and kept current.
- We do not mediate financial disputes between parents or guardians. Any internal arrangements between parents for shared payment must be handled privately and will not affect how the program processes payments.

SECTION 1: HOURS, PICK UP, HOLIDAYS, ABSENCES AND CLOSINGS:

HOURS OF OPERATION:

The PA program will operate after school on all instructional school days, except on early release days, until 6:30 p.m. for all campuses.

PICK UP INFORMATION:

Parents/guardians are responsible for picking up their student no later than 6:30 p.m. For the safety and security of your student(s), we kindly request that you inform PA staff in writing (email or handwritten, dated and signed letter) in advance if someone other than the individuals previously identified will pick them up. Persons picking up students must be listed on the emergency contacts and authorized pick-up list. We will not release your student to an unauthorized person without prior authorization.

- All individuals listed on the pickup information sheets must be over the age of 16 and possess a valid driver's license or government-issued ID. They will be authorized to sign the student out.
- Students are not permitted to check themselves out to walk, bike home alone or call a rideshare service.
- Parents may pick up their student at any time during program hours, except during the first 30 minutes to allow for proper check-in.
- Anyone picking up a student must present a photo ID. If the dismissal assistant changes, ID will be requested again.
- If an authorized adult is not reachable within 30 minutes after closing, campus police will be contacted.
- If staff suspect a pick-up person is under the influence of drugs or alcohol, 911 will be called immediately.
- Each student will receive one unique family check-out code, which must be used for student check-out and should only be shared with authorized individuals listed on the student's account.

Please list all emergency contacts and authorized pick-up individuals in order of priority. For those who may pick up your child and accompany them for medical treatment, check the "Emergency Contact and Release" box. If someone should be authorized for pick-up only on specific days (such as a babysitter), check the "Release Only" box next to their name.

I have read the above information and agree. (Parent/Guardian Initial)

NURSE:

I understand there are no nurses on campus, nor do Premier Academy staff have access to the nurse's office. If my student becomes sick during program hours, I will be contacted to pick my student up.

MEDICATION:

I am aware I am responsible for informing the Premier Academy staff (Director and Site Manager), in writing, should my student have specific allergies, medical conditions, or medical needs that may require attention. Medication cannot be administered unless written permission is provided by the parent or guardian and in original packaging. The Site Manager on each campus can provide each parent with a copy of the Medication Permission form should he or she require one. All medication will be stored in a locked cabinet in the Site Manager's office. To ensure the safe administration of medication at Premier Academy, the following guidelines must be followed:

- Premier Academy requires updated medical files that match the information in the school file to ensure accuracy and proper care.
- Written permission from the doctor and/or parents is necessary for PA staff to administer medication to students.
- All medication must be in its original packaging, and the prescription label should contain the student's name, current date, medication name, dosage, and designated time for administration. The medication will be securely stored in a locked location within the PA office.
- In the event of a medical emergency that requires immediate treatment, emergency services (911) will be contacted, and parents will be notified promptly.
- If a student requires the use of an EpiPen, it is mandatory for us to call 911.
- Parents have the responsibility of providing up-to-date alternate emergency contact information in case they cannot be reached directly.
- If your student carries emergency medication such as an inhaler or EpiPen, please inform us. With written permission and instructions from the nurse, we will be able to administer the medication accordingly.

I have read the above information and agree. (Parent/Guardian Initial)

NUT ALLERGIES:

We are a nut-free program. No tree or ground nut products are permitted to be brought into program for snack by any student.

EPI-PENS/INHALERS:

If your student carries emergency medication such as an **Inhaler or EpiPen**, please notify our staff. A completed Medication Permission Form is required in order for staff to administer these medications. You may obtain this form from your Site Manager.

Please note: Students who require an EpiPen or inhaler must provide one to campus staff to be enrolled in Premier Academy. Failure to supply the required medication may result in removal from the program for safety reasons.

We provide one snack per day for the students. However, if your student has any food allergies, dietary restrictions, or specific preferences regarding snacks, you are welcome to send a snack with them to school.

***Please ensure that the snack is nut-free, as our program prohibits tree nuts or ground nut products.**

EXTRACURRICULAR ACTIVITIES & STUDENT EVENT LOG

Premier Academy does not assume responsibility for transporting students to or from extracurricular activities outside of our program. It is the parent's or guardian's responsibility to arrange any necessary transportation for such events.

If a student needs to attend a school club, practice, tutoring session, or special event during program hours, they must sign the **Student Event Log** before leaving. While the student is away from the program and under the supervision of school-day staff, Premier Academy does not assume responsibility. Responsibility resumes only once the student signs back in with our staff.
